## India

**Post:** New Delhi

### **FSSAI Publishes Booklet on Enforcement Activities and Related FAQs**

**Report Categories:**

Sanitary/Phytosanitary/Food Safety  
Exporter Guide

**Approved By:**

Allan Mustard

**Prepared By:**

Radha Mani

**Report Highlights:**

On September 25, 2013, The Food Safety and Standards Authority of India published a booklet to describe the enforcement activities through which the food business operators (FBOs) are regulated under the Food Safety and Standards Act, 2006. The booklet not only highlights the enforcement activities followed by their FAQs at the pre and post license/registration levels but also describes the role of enforcement authorities at different levels of enforcement.

**General Information:**

On September 25, 2013, The Food Safety and Standards Authority of India published a booklet to describe the enforcement activities through which the food business operators (FBOs) are regulated under the Food Safety and Standards Act, 2006. The booklet not only highlights the enforcement activities followed by their FAQs at the pre and post license/registration levels but also describes the role of enforcement authorities at different levels of enforcement.
